Dear Training Facilities,

Below is a list of upcoming CNA instructor and CNA test observer workshops which will be provided by D&S Diversified Technologies in the Spring of 2010.

The **CNA Instructor workshops** are for training program instructors and program coordinators. These workshops are designed to help facilities better understand the testing process for their candidates. Please send this back to D&S by April 1st so we can make every attempt to accommodate those interested in attending the workshop. Please select your 1st and 2nd choice of the workshop location that you would like to attend and mail or fax this form to D&S Diversified Technologies. We do have limited space so you will receive a confirmation letter, fax or call once you are scheduled for a workshop. If you do not hear from us please do not hesitate to call us toll free at 1-877-851-2355. Thank you in advance for mailing by the required date. Please feel free to call to confirm your registration.

NEW TEST OBSERVER WORKSHOPS:

The test observer workshops are for those interested in administering the testing for the State of Arizona. To qualify to be an observer, **you must be an RN in good standing with the State of AZ and have a least one year long term care or acute care experience as an RN or LPN.** You are required to pay a \$ 50 certification fee to attend the test observer workshop. If you are interested in becoming a test observer, please complete the observer portion of this form and mail or fax it back to D&S Diversified Technologies. **You will also need to send an updated resume outlining your one year long term care or acute care experience and copy of your nursing license. Please send to D&S by April 1st** so we can make every attempt to accommodate those interested in attending the workshop. Please feel free to call to confirm your registration.
