Dear Training Facilities,

Below is a list of upcoming FALL STNA instructor workshops which will be provided by D&S Diversified Technologies. THESE WORKSHOPS ARE FOR NEW INSTRUCTORS AND THOSE NEEDING INFO INTO THE TESTING PROCESS. The **STNA Instructor workshops** are for training program instructors and program coordinators. These workshops are designed to help facilities better understand the testing process for their candidates. Please send this **back to D&S by two weeks prior to the workshop date** so we can make every attempt to accommodate those interested in attending the workshop. We can only accept **two participants per facility**. Please select your 1<sup>st</sup> and 2<sup>nd</sup> choice of the workshop location that you would like to attend and mail or fax this form to D&S Diversified Technologies. We do have limited space so you will receive a confirmation letter once you are scheduled for a workshop. Please feel free to call to confirm your registration.
