

Colleagues:

**The recording from the October 29th MAP Trainer Meeting is now available!** We apologize for the technical difficulties experienced on the day.

In order to receive a contact hour or attendance credit for this meeting, you must do two things:

1. Click on the link below to view the recording. Enter your name and e-mail address to gain access. If watching with a group, please ensure each person later logs in separately with their unique name and e-mail address. This is so we have an accurate attendance record.  
<http://onlinetraining.umassmed.edu/mapoct29/event/registration.html>
2. Complete the meeting evaluation. Each person must complete the evaluation to earn credit. Please ensure your name and e-mail address are entered in the first two questions.  
Evaluation: <https://www.surveymonkey.com/s/76L235B>

**Contact Hours and Attendance Credit:**

Upon verification of attendance, notification of contact hour and attendance credit will be sent weekly to participants by e-mail beginning on Nov. 7th. **Friday, December 12th** is the last date to earn credit.

**Attachments and Slides:**

Meeting attachments and slide presentation are available here:  
<http://shriver.umassmed.edu/programs/cdder/webinars/map-trainer-meetings>

**Technical Details about the recording:**

This recording uses Adobe Flash, which is most likely already installed on your computer. If you experience problems with the recording such as slides that seem to “freeze” or go blank, or volume that cuts in and out, please try the following things:

1. Switch internet browsers. Internet Explorer or Firefox will give you the best viewing results
2. Close your browser and re-open it, using the meeting link above to gain access again. This will often “reset” Flash and allow it to play normally.
3. Stop the recording and resume again at a later time if you suspect the problem is due to a slowdown or interruption in the internet connection.

**Questions:**

Please direct questions about the recording, evaluation or attendance to [CDDER@umassmed.edu](mailto:CDDER@umassmed.edu).

Thank you,

**Massachusetts DDS and Center for Dev Dis Eval and Research (CDDER)**
