Effective July 12, 2023, the Michigan Department of Licensing & Regulatory Affairs, Bureau of Community and Health Systems, will transition the Nurse Aide Registry from Headmaster, L.L.P., to Michigan Nurse Aide, Training, and Enforcement System (MI-NATES), a new software program with the State of Michigan. This system will be active July 26, 2023. This transition will impact new applicants as well as current registered nurse aides.

MI-NATES WILL BE UTILIZED FOR:
- Electronic Submission and Payments for Nurse Aide Applications and Renewals
- Printing your Certificate of Registration
- Reviewing or Updating Your Registration Information

Actions needed:
1. Please create a MILogin account at MILogin - Login (michigan.gov). This can be done at any time. Click here for a helpful guide to walk you through the account setup instructions: MILogin/MI-NATES Account Setup Guide.

2. On or after July 26, 2023, login to your MILogin account, request access to MI-NATES, and set up your user profile. Then, MI-NATES will be available as an application on your MILogin account for management of your nurse aide registration. Click here to view the MI-NATES user guide for Nurse Aides.

Should you have any questions or need assistance you may contact the State of Michigan at BCHS-CNA-Registry@michigan.gov.
