

Montana CNA Certification Challenge Exam Instructions

1. Click on the “Montana Application and Payment Form 1402”. This is an Online Fillable, Pay and Submit Form – No Need to Mail Anything:
2. Submit your form directly online.
3. Within one business day, Headmaster will send you an email with your scheduling instructions. You must to login to your WebETest© record to schedule your own exam date.
 - a. View the **Three-Month Test Schedule** to see the available test dates:
 - ❖ <https://www.dandsdiversifiedtech.com/cgi-bin/CGIRegMaster/schedule?StateAbbrv=MT>
 - b. If you do not see a response to your pdfFiller application in your inbox within one business day, please check your junk mail and spam folders!
4. **IMPORTANT!!!** View the Candidate Handbook online at https://hdmaster.com/testing/cnatesting/montana/mtformpages/forms/MT_CNA_CandidateHandbook2018.pdf, you can view this online or print it. It includes all the rules and instructions for testing, a terminology and vocabulary list to study for the knowledge test, and a list of all the skills tasks on which you can be tested with a very specific study guide for each skill. When you challenge the exam, you are only allowed one chance to take the exam. Training and/or working in a facility are very different from testing. The easiest way to fail the exam is to refrain from studying the skills as they are currently being tested!

Thank you!
