PROVIDING MAP TESTING THROUGHOUT MASSACHUSETTES!!!

## Fall 2011 Workshop

### WORKSHOP FOR NEW MAP TESTERS

Dear Testers,

Below is a registration form for the upcoming workshop which will be provided by D&S Diversified Technologies. The MAP tester workshop is for RN's, EMT's and Pharmacists with one year of experience who are interested in testing MAP staff members. These workshops are designed to train testers in the testing protocol required for testing MAP staff members. **Please send this back to D&S at least one week prior to the workshop date** so we can make every attempt to accommodate those interested in attending the workshop. If you have not submitted a resume, please fax the resume with this registration form.

Please mail or fax this form to D&S Diversified Technologies. We do have limited space so you will receive a confirmation letter, fax or call once you are scheduled for a workshop. If you do not hear from us please do not hesitate to call us toll free at 1-877-201-0758 or 1-877-851-2355.

Thank you in advance for mailing by the required date.

Please feel free to call to confirm your registration.
