Introduction

This handbook describes the process of taking the Medication Administration Program (MAP) Certification test. A candidate qualifies to take the test after successfully completing an approved MAP training program. The purpose of the test is to ensure that candidates seeking to be MAP Certified staff are prepared to administer medications safely as regulated by the Massachusetts Department of Public Health.

Massachusetts has approved D&S Diversified Technologies, LLP (D&SDT) to provide tests and scoring services for MAP testing and registry services. For questions not answered in this handbook, please contact D&SDT toll-free at (888)734-6211 or go to D&SDT's MAP webpage at:

http://hdmaster.com/testing/othertesting/massachusetts_cma/MA_CMA_Home.htm

There are two components to the MAP Certification test. Candidates must pass the two test components, knowledge and medication administration, to be listed as certified on the Massachusetts MAP registry.

The information in this handbook will help you prepare for your test.

Americans with Disabilities Act (ADA)

ADA Compliance

The Massachusetts Department of Public Health and D&SDT provide reasonable accommodations for candidates with a qualified disability or limitations that may affect their ability to take any portion of the MAP test. Accommodations are granted in accordance with the Americans with Disabilities Act (ADA).

If you have a qualified disability or limitation, you may request special accommodations for examination. D&SDT must approve accommodations before testing. If you wish to receive accommodations, inform your MAP trainer and complete the [ADA Accommodation Request Application](#) found on the MAP TMU© main page under 'APPLICATIONS' to be reviewed for accommodation. Your ADA Accommodation Request Application must be submitted at least **fourteen business days** before your test date for the portion of the test for which you request an accommodation to be reviewed for a special accommodation.

ADA request forms submitted without supporting documentation of a diagnosed disability will not be accepted or reviewed.

Please notify D&SDT at (888)734-6211 of the need to reschedule as soon as you become aware and no less than two business days before a scheduled accommodated test.

Policy for MAP Testing Utilizing American Sign Language (ASL) Interpreters

ASL interpreters are requested through the Massachusetts Commission for the Deaf and Hard of Hearing (MCDHH).

The following guidelines are for MAP testing utilizing ASL interpreting services.

- D&SDT must submit requests for service to the MCDHH at a **minimum of two weeks before** the test date.
- Interpreter services are not guaranteed on any given test date. If D&SDT is made aware that an interpreter is unavailable for a requested date, the candidate will be notified as soon as possible.
- The ASL interpreter may translate the instructions given by the proctor/tester at the beginning of the testing session into ASL.

- The ASL interpreter does not need to share what communication occurs between the candidate and the ASL interpreter with either the knowledge test proctor or the MAP tester. The ASL interpreter is covered by the code of conduct rules through MCDHH.
- If the interpreter is late or does not show up for the test, the candidate can choose to take the test without the interpreter, with no risk to the candidate if they get a failing score on the attempt.
- If the interpreter arrives late after the candidate has already chosen to take the test without the interpreter, the interpreter is not permitted to join the candidate after the start time listed on the job order.
 - Sign language interpreters will be given the Zoom link to connect to the same testing event as the candidate.

Additional Testing Time Granted for ASL-Approved Test Candidates

Additional test time is typically granted for ASL-approved test candidates.

KNOWLEDGE EXAM

- Thirty additional minutes for the knowledge exam.
 - The candidate is allowed to have all questions interpreted, but the maximum time for testing is one hour and forty-five minutes.
 - The sign language interpreter will log into the same TMU© account so that the questions are accessible.
 - The candidate will mark their own answers in their own test.

MEDICATION ADMINISTRATION TEST

- Ten additional minutes for the medication administration test.
 - The maximum time for the medication administration testing is twenty minutes (normal testing time of ten minutes plus an additional ten minutes).

 - Service animals with an approved ADA accommodation in place are allowed.
- If you have any physical limitations (excluding pre-arranged ADAs) that would prevent you from demonstrating your competency to perform your duties as a MAP-certified staff person, we strongly recommend that you reschedule your remotely proctored test until you no longer have any limitations (s). If you decide to continue

with your scheduled remotely proctored test while under limitation(s), you will not be given a free reschedule for testing due to any issue arising from the limitation(s). (Examples: cast, arm/leg braces, crutches, etc.) Call D&SDT at (888)734-6211 immediately if you are on medical restrictions/limitations to reschedule.

NOTE: Please see this handbook's '**Reschedules**' and '**No-Show Exceptions**' sections.

→ *Rescheduling will not be granted less than two (2) full business days prior to a scheduled test date.*

Inappropriate Behavior Policy

Inappropriate behavior is not tolerated at any test event, whether remotely proctored or in-person. You must be logged in and ready to test before the time listed on your test confirmation. You are also expected to act in a professional manner and show respect to the other individuals testing and the test observer overseeing the event. If you refuse to follow directions, use abusive language, or disrupt the examination environment, your test will be stopped and scored as a failure. You will be dismissed from the test event and will forfeit any testing fees paid. A report of your behavior will be given to your sponsoring employer and the Massachusetts Department of Developmental Services (DDS), the Department of Mental Health (DMH), the Department of Children and Family (DCF), or MassAbility (formerly the Massachusetts Rehabilitation Commission-MRC).

Inclement Weather and Unforeseen Circumstances Policy

If a test is canceled due to weather or other unforeseen circumstances, you will be notified via email and/or text message through the TMU© software. If you are uncertain about testing due to overnight weather, please be diligent about checking your email and/or text messages for any cancellations prior to leaving home or work for your skill testing location.

Note: Remotely proctored testing will be affected only if you travel to your business place to utilize computer and internet services.

- Testing will proceed as scheduled if the test site is open and the on-site remote tester/proctor (for Med Administration) can travel to the site.
- If you have severe weather that occurs in your area within 24 hours prior to testing and are unable to travel to the test site as a result, you must notify D&SDT via phone call at (888)734-6211 *prior to* your scheduled test date.
 - You will be required to submit documentation within **five business days** of the missed test date regarding the severe weather in your area (e.g., a screenshot from a news station or webpage, a statement from the MassDOT website, or your local police department, etc.) for review to determine if the \$45 No-Show fee will be waived.
- If you do not attend your test due to weather-related issues (e.g., extended power outage, your roof falling in due to heavy snow or trees falling, etc.), you will be required to submit documentation within **five business days of the missed test date** regarding the weather-related issue. Examples of appropriate documentation would be a claim form from your insurance company, a copy of a repair bill or estimate, a printout of power outage areas from the power provider, etc.).

Note: D&SDT will review all exceptional weather events in collaboration with DDS, DMH, DCF, or MassAbility for possible cancellations, rescheduling modifications, and/or allowances.

Security

If you refuse to follow directions, are found to be cheating, use abusive language, disrupt the remotely proctored test environment, or are visibly impaired, your test will be stopped and scored as a failed attempt. You will be dismissed from the remotely proctored testing room and will forfeit any testing fees paid. A report of your behavior will be given to DDS, DMH, DCF, or MassAbility.

You will not be allowed to test for a minimum of six months. To be eligible to test again, you must obtain permission from DDS, DMH, DCF, or MassAbility.

Anyone who removes or tries to take notes or information during the remotely proctored test will be reported to DDS, DMH, DCF, or MassAbility and is subject to prosecution to the full extent of the law by D&SDT. Your test will be scored as a failed attempt, and you will forfeit any testing fees that have been paid. You will not be allowed to retest for a minimum period of six (6) months. You will need permission from DDS, DMH, DCF, or MassAbility to be eligible to test again.

If you give or receive help from anyone during remotely proctored testing (which also includes the use of any other electronic recording devices or aides such as cell phones or smart watches, other than the two devices you are taking your tests on or navigating to other browsers), your remote proctored test will be stopped and scored as a failed attempt. You will be dismissed from the remotely proctored testing room and will forfeit any testing fees paid. You will be reported to DDS, DMH, DCF, or MassAbility. You must obtain permission from DDS, DMH, DCF, or MassAbility to be eligible to test again.

Reschedule / Refund Request / No-Show Policies

Reschedules

All candidates are entitled to one staff-assisted free reschedule during each three-attempt testing cycle any time up until two business days preceding a scheduled test day, excluding Saturdays, Sundays, and Holidays. Additional reschedules are subject to a \$35 fee for each rescheduled component. The reschedule fee must be paid in full before a test component is rescheduled.

- **Example:** If you are scheduled into any component of your test on a Saturday, Sunday, or Monday, you would need to reschedule by close of business (D&SDT is open until 8:00PM Eastern time Monday through Friday) the Wednesday before your scheduled test. The Thursday and Friday before a scheduled test on a Saturday, Sunday, or Monday are considered the two business days before your scheduled test. A reschedule would not be granted if D&SDT was notified on Thursday or Friday.

MAP RESCHEDULE AND REFUND REQUEST CHART

The scheduled test date is on a:	Last day you can reschedule by close of business:
Monday	The prior Wednesday
Tuesday	The prior Thursday
Wednesday	The prior Friday
Thursday	The prior Monday
Friday	The prior Tuesday
Saturday	The prior Wednesday
Sunday	The prior Wednesday

Note: Reschedules will not be granted less than two full business days prior to a scheduled test date. You will be considered a no-show and will forfeit any testing fees paid. A \$45 no-show fee will be owed and must be paid in full prior to scheduling a new test date.

Refund of Testing Fees Paid

Requesting a refund of testing fees paid is different than rescheduling a test. Requesting a refund means you are not interested in taking the MAP test.

SPONSORED AND NON-SPONSORED CANDIDATES SCHEDULED INTO A TEST

- 1) If you are scheduled into a test, a refund request of testing fees paid must be made by filling out and submitting the [Refund Request Form](#) on D&SDT's main webpage at www.hdmaster.com at least **two full business days** prior to your scheduled test (excluding Saturdays, Sundays and Holidays). No phone calls are accepted.
 - Example: If you are scheduled to take your test on a Saturday, Sunday, or Monday, you would need to submit the Refund Request Form by close of business (D&SDT is open until 8:00PM Eastern time Monday-Friday, excluding Holidays) the Wednesday before your scheduled test. The Thursday and Friday before a scheduled test date on a Saturday, Sunday, or Monday is considered the two full business days before your scheduled test, and a refund request would not be granted on the Thursday or Friday prior to your scheduled test day.
- 2) Refund requests for a non-sponsored test made in the required time frame qualify for a full refund of any testing fees paid minus a \$35 refund/processing fee.
- 3) Refund requests for a sponsored test not made within the required time frame will be assessed a \$45 No-Show fee that must be paid before being allowed to schedule a new test date.
- 4) Refund requests must be made within thirty days of paying testing fees with D&SDT. Requests for refunds made after 30 days will not be issued.

NON-SPONSORED CANDIDATES WHO ARE NOT SCHEDULED IN A TEST

- 1) Refund requests must be made within thirty days of paying testing fees with D&SDT. Requests for refunds made after 30 days will not be considered.
- 2) Refund requests must be made by filling out and submitting the [Refund Request Form](#) on D&SDT's main webpage at www.hdmaster.com. No phone calls are accepted.

- 3) Refund requests made in the required time frame qualify for a full refund of any testing fees paid minus a \$35 refund/processing fee.

SPONSORED CANDIDATES WHO ARE NOT SCHEDULED IN A TEST EVENT

- 1) Refund requests must be made within thirty days of paying testing fees with D&SDT. Requests for refunds made after 30 days will not be considered.
- 2) Refund requests must be made by filling out and submitting the [Refund Request Form](#) on D&SDT's main webpage at www.hdmaster.com. No phone calls are accepted.
- 3) Refund requests not made within the required time frame will be charged a \$45 No-Show fee, which must be paid before a new test date can be scheduled.

No-Shows

If you are scheduled for your remotely proctored test and do not sign in before the time listed on your confirmation email to be checked in by the remote tester/proctor or do not show up without notifying D&SDT at least **two full business days** prior to your scheduled test, **excluding** Saturdays, Sundays, and Holidays, or if you are turned away for lack of proper identification or any other reason that makes you ineligible to test, you will be considered a **NO-SHOW**. You will forfeit all fees paid and must submit a new testing fee to schedule yourself for a new test.

If a reschedule or refund request of testing fees paid is not received before the two full business days preceding a scheduled test, excluding Saturdays, Sundays, and Holidays (see examples under Reschedules and Refund of Testing Fees Paid), a NO-SHOW status will exist, and you will forfeit your testing fees. You must repay the full testing fee to secure a new test.

No-Show Exceptions

Exceptions to the No-Show status exist; if you are a no-show for any test component for any of the following reasons, a free reschedule will be authorized to the candidate of record, providing **the required documentation is received within the designated time frames outlined below and approved by the MA Program Manager**:

- **Car breakdown or accident**: D&SDT must be contacted within one business day of the missed test via phone call, fax, or email, and a tow bill, police report, or other appropriate documentation showing your name and the provider of service name (a car repair bill is not acceptable) must be submitted within **three business days** of the missed test date. If D&SDT does not receive proof within the 3-business day time frame, you will have to pay as though you were a no-show.
- **Medical emergency or illness**: D&SDT must be contacted within one business day of the missed test via phone call, fax, or email, and a signed doctor's note showing your name and the provider of service name (or be on the provider's letterhead showing seen by a doctor on or before your test date) must be submitted within **three business days** of the missed test date. If D&SDT does not receive proof within the 3-business day time frame, you will have to pay as though you were a no-show. Both names must be referenced on the signed doctor's note for the following situations.
 - If the doctor saw your dependent child.
 - If you are the guardian or medical power of attorney for the person seen by the doctor.

- **Death in the family:** D&SDT must be contacted within one business day of the missed test via phone call, fax, or email, and an obituary or letter showing your name and the provider of service name submitted on your behalf from the funeral home for immediate family only must be submitted within **seven business days** from a missed test date. If D&SDT does not receive proof within the 7-business day time frame, you will have to pay as though you were a no-show. (Immediate family means parent, grand and great-grandparent, sibling, children, spouse, or significant other.)
- **Remotely proctored knowledge testing issues:** D&SDT must be contacted within one business day via phone, fax, or email, and appropriate documentation showing your name and the provider of service name must be submitted within three (3) business days of the exam date. If we do not receive proof within the 3-business-day time frame, you will have to pay as though you were a no-show.
 - **Internet outage or issue:** Documentation showing your name and the provider of service name from the Internet provider showing outage date and times.
 - **Computer or cell phone issue:** If the computer or cell phone fails to work, documentation showing your name and the provider of service name from a computer repair technician/shop or other appropriate documentation is required.

Candidate Feedback – Exit Survey

You will receive an email and/or text once your test is officially scored. This notice will give you a link to complete an exit survey. A link is also available when you sign in to your TMU© account to see your test results. The exit survey is confidential and will not affect the outcome of any test. You are encouraged to complete the exit survey questions with honest feedback regarding your test experience to help improve the testing process.

Test Results

After completing your MAP test, your test will be officially scored and double-checked by D&SDT scoring teams. Once the scoring process is complete, you will receive an email and/or text letting you know your test results are available. You may securely access your results in your TMU© account at ma.tmutest.com. Official test results are available to you after 8:00PM Eastern Time (excluding Saturdays, Sundays, and Holidays) the next business day.

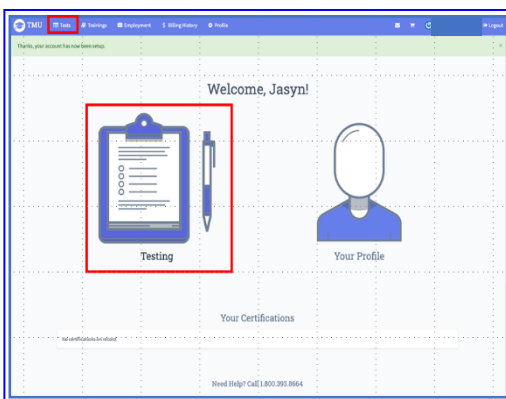

When you pass both components of the MAP test, you will be listed on the Massachusetts MAP Registry as certified.

D&SDT does not send postal mail test result letters to candidates.

Test Attempts

You have **three attempts** to pass any combination of the knowledge and medication administration test components. Once you receive three failed scores (any combination) you must successfully complete a remedial training by your trainer of record (if offered) or a trainer employed within your facility (if offered) or you must complete the full MAP training program again.

- If you complete a remedial training program after three failed scores (any combination), you will only retest on the component that you previously failed. Your three-month window is not extended in this option. Your original training expiration will stand.
- If you complete a new MAP training program after three failed scores (any combination), you will have to retest on all three components, even if you passed a component under your previous training. You will obtain a new three-month window for testing.

Retaking Components of the MAP Test

If your test results show that you failed a component of the MAP test, you may apply to retake it. To secure a new test date, you will need to adhere to the guidelines below.

Retaking the Knowledge Exam

If you fail your Knowledge Exam Component:

DDS/DMH/DCF/MASSABILITY SPONSORED CANDIDATES

- If you are a DDS/DMH/DCF/MassAbility sponsored candidate, and you fail your KNOWLEDGE TEST component, you may secure a new test date by signing into TMU© after 6:00PM Eastern Time the business day after your test event and selecting a new date and time under the Testing tab.

NON-SPONSORED CANDIDATES

- If you are a non-sponsored candidate and you fail your KNOWLEDGE TEST component, you may secure a new test date by signing into your TMU© account after 6:00PM Eastern Time the business day after your test, select the Knowledge Test component, pay the correct fee with a credit/debit card (VISA or MasterCard only) and then select a new test date and time under the Testing tab.

Retaking the Medication Administration Demonstration Component

If you fail a Medication Administration Demonstration Component:

DDS/DMH/DCF/MASSABILITY SPONSORED CANDIDATES

- After your employment has been re-verified, you may secure a new test date by following the instructions under Remotely Proctored Testing Information.

NON-SPONSORED CANDIDATES

- You may secure a new remotely proctored test date by following the instructions under Remotely Proctored Testing Information.

Test Review Requests

You may request a review of your test results or dispute any other condition of your remotely proctored testing. The purpose of this review process is to ensure fairness and accuracy in the evaluation of your test.

***PLEASE READ BEFORE FILLING OUT THE TEST REVIEW REQUEST:** Please call D&SDT at (888)734-6211 during regular business hours, Monday through Friday, 8:00AM to 8:00PM ET, excluding Saturdays, Sundays, and Holidays, and discuss the test outcome you are questioning before committing to sending the \$25 test review request deposit fee. Once you have further details about the scoring of your remotely proctored test, you will often understand the scoring process and learn how you can better prepare yourself for subsequent exam attempts. If, after discussion with D&SDT staff, you still have a concern with your testing process that affected the outcome of your exam, you may submit a Test Review Request.

There is a \$25 non-refundable test review deposit fee. To request a review, complete the [Test Review Request and Payment Application](#), with a detailed step-by-step explanation of the steps you demonstrated but believe you were not credited with during your remotely proctored test, available on the Massachusetts MAP TMU© main page under APPLICATIONS (before you log in to your account) at ma.tmutest.com. Test Review Requests must be received **within three (3) business days** from the official scoring of your remotely proctored test (excluding Saturdays, Sundays, and holidays). Late requests will be denied and will not be considered.

If, after investigation, the review finding is in your favor, you will be refunded the \$25 test review deposit. If the finding of the review is *not in your favor*, the \$25 test review deposit will stand, and the fee is non-refundable. D&SDT will re-check the scoring of your remotely proctored test and may contact you and/or the tester/proctor for any additional recollection of your test(s).

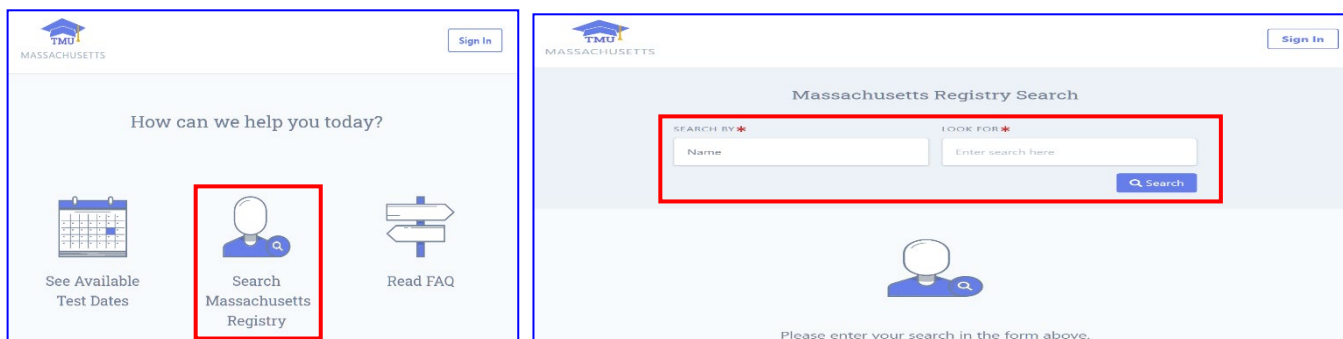

Note: D&SDT will not review test results or disputes with family members or anyone else (providers/trainers, programs, etc.) on behalf of the candidate.

D&SDT will complete your review request within ten business days of receiving your timely review request and will email the review results to your email address.

If you decide to schedule and pay for another test component while waiting for the review outcome, and you successfully pass the component previously failed, and your review outcome is in your favor, the test review fee *plus* the additional test component fee you paid will be refunded.

MAP Registry

The Massachusetts MAP Registry contains all MAP-certified staff in Massachusetts. The MAP Registry can be accessed at ma.tmutest.com.

The left screenshot shows the homepage of the Massachusetts MAP Registry. It features a header with the TMU logo and a 'Sign In' button. Below the header, there is a section titled 'How can we help you today?' with three icons: a calendar for 'See Available Test Dates', a magnifying glass over a person icon for 'Search Massachusetts Registry' (highlighted with a red box), and a document icon for 'Read FAQ'. The right screenshot shows the 'Massachusetts Registry Search' page. It has a search form with two input fields: 'SEARCH BY *' with a dropdown menu and 'LOOK FOR *' with a text input field. Below these fields is a 'Search' button. A red box highlights the entire search form area. At the bottom of the page, there is a message: 'Please enter your search in the form above.'

Certification

Your certification is valid for a two-year period. You must re-certify within 90 days of your expiration date. If you do not re-certify within the 90-day re-certification period, your certification will lapse. You are eligible to re-certify for up to one year from when your certification expires. However, you will no longer be eligible to administer medications. For questions regarding your MAP certification status, go to the MAP webpage at:

http://hdmaster.com/testing/othertesting/massachusetts_cma/MA_CMA_Home.htm

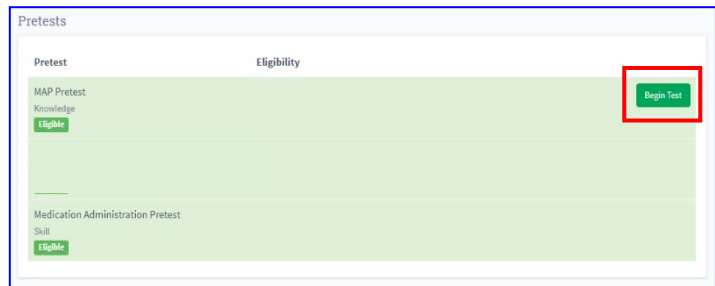

You can also contact the MAP Registry staff Monday through Friday, 8:00AM to 8:00PM ET, by phone at (888)734-6211 or by fax at (419)422-7395.

Re-Certification Process

Re-certifications can be done through D&SDT or in-house. If a re-certification is scheduled through D&SDT, the entire re-certification process must be completed through D&SDT. Once the process begins, an in-house re-certification is not allowed. Vice versa, if an in-house re-certification is completed first, the process must be completed through the in-house re-certification.

The Knowledge Exam Component

The purpose of the knowledge component is to test your understanding of all job duties detailed in the approved Massachusetts MAP curriculum, 'Responsibilities in Action' (RIA), as they relate to medication management.

You should have received information during your MAP training explaining that it is to your advantage to spend time on your own reading RIA from cover to cover as well as taking the pretest over and over. The pretest is available by signing into your TMU© account at ma.tmutest.com.

The knowledge test component is administered electronically via TMU©. The test will be displayed on a computer screen for you to read and key in your answers.

You will have a maximum of 75 minutes to complete the test. You will be told when 15 minutes remain. You may not ask questions about the content of the test, such as "What does this question mean?"

You must have a score of 80% or better to pass the knowledge test component of the MAP test.

Knowledge Exam Content

The Knowledge Test consists of 50 multiple-choice questions. Questions are selected from RIA subject areas. The subject areas and number of questions from each area are listed below:

Subject Area	Number of Questions		Subject Area	Number of Questions
Unit 1: Introduction and Working in a MAP Registered Program	5		Unit 6: Recording Information	5
Unit 2: Observing and Reporting	6		Unit 7: Administering Medication	10
Unit 3: Medications	4		Unit 8: Chain of Custody	7
Unit 4: Interacting with Health Care Provider	3		Unit 9: Medication Occurrences and Appendix	4
Unit 5: Obtaining, Storing and Securing Medication	6			

The Skill Test Component

The Remotely Proctored Medication Administration Demonstration Component

The purpose of the medication administration component is for you to demonstrate that you can administer medication safely, as outlined in RIA Unit 7.

The medication administration demonstration occurs remotely, one-on-one, with you and the certified test observer.

- For testing purposes, your hands are considered washed, and the medication is double-locked.
- You have a maximum of **10 minutes** to complete your medication administration demonstration.
- Listen carefully to all instructions read by the tester. You may ask to have any of them repeated at any time.
- You are read a scenario immediately before you demonstrate. The scenario includes the name of the person and the date and time you are administering the medication. Based on the scenario, you must determine the correct countable medication to administer. You are given a copy of the scenario for reference.
- You are asked if you have any questions. Once the test begins, further questions are not allowed.
- After listening to the scenario, use the medication book provided to locate the right person's medication sheet and determine what medication to remove from the medication box.
- If you believe you made a mistake during the medication administration demonstration, tell the tester. For a correction to be accepted, you must re-demonstrate or correct **any step** or **steps** you believe you performed incorrectly at **any time** during your allotted 10 minutes or until you tell the tester you are finished.
- No corrections are accepted after the medication has been administered or after documentation has been completed.
- Documentation must be legible.
- **You must demonstrate (show) and verbalize what you are doing to receive credit.**

- A passing test score is achieved when all **BOLDED** 'Key Steps' are successfully demonstrated and verbalized and no more than two 'non-key steps' are missed.
- A failing score is achieved when one single **BOLDED** 'Key Step' is not successfully demonstrated and verbalized or when any combination of three 'non-key steps' is missed.

Medication Administration Remote On-Site Proctor Guidelines

These requirements need to be followed by approved Med Administration Remote On-Site Proctors:

1. Be ready to test and log into the Zoom session 10 minutes before the test starts.
2. Provide all **six scenarios** in your testing kit as outlined on mapmass.com.
3. Ensure the test area is large enough to contain all testing materials yet confined enough so the remote test observer can see the entire area.
4. Remind the candidate to speak loudly and clearly during the remotely proctored test event.

5. Confirm with the remote test observer that the med sheet is up to date with the appropriate initials and that the blister pack count matches the appropriate count page.
6. Take and send pictures of the blister pack, medicine cup, count page, and med sheet.
7. **Abide by the NO-SHOW policy listed below.**

Med Administration Remote On-Site Proctor No-Show Policy

Exceptions to the NO-SHOW status exist. If you are a NO-SHOW for a test event for any of the following reasons, the candidate of record will be authorized to reschedule free of charge. The Provider will not be required to pay the candidate's NO-SHOW fee, provided the required documentation is received within the designated time frames outlined and approved by the Massachusetts MAP Program Manager. All emails need to be sent to mass@hdmaster.com.

- **Car breakdown or accident:** D&SDT must be contacted within one business day of the missed test via phone, fax, or email, and a tow bill, police report, or other appropriate documentation (a car repair bill is not acceptable) must be submitted within **three business days** of the missed test date. If D&SDT does not receive proof within 3 business days, ***the Provider will be responsible for the candidate's NO-SHOW fee.***
- **Medical emergency or illness:** D&SDT must be contacted within one business day of the missed test via phone call, fax, or email, and a signed doctor's note (showing seen by a doctor on or before your test date) must be submitted within **three business days** of the missed test date. If D&SDT does not receive proof within 3 business days, ***the Provider will be responsible for the candidate's NO-SHOW fee.*** Both names must be referenced on the signed doctor's note for the following situations.
 - If the doctor saw your dependent child.
 - If you are the guardian or medical power of attorney for the person seen by the doctor.
- **Death in the family:** D&SDT must be contacted within one business day of the missed test via phone call, fax, or email, and an obituary or letter submitted on your behalf from the funeral home for immediate family only must be submitted within **seven business days** from a missed test date. If D&SDT does not receive proof within 7 business days, ***the Provider will be responsible for the candidate's NO-SHOW fee.*** (Immediate family means parent, grand and great-grandparent, sibling, children, spouse, or significant other.)
- **Remotely proctored on-site testing issues:** D&SDT must be contacted within one business day via phone, fax, or email, and appropriate documentation must be submitted within **three (3) business days** of the exam date. If we do not receive proof within 3 business days, ***the Provider will be responsible for the candidate's NO-SHOW fee.***
 - **Internet outage or issue:** Documentation from the Internet provider showing outage date and times.
 - **Computer issue:** If the computer fails to work, documentation from a computer repair technician/shop or other appropriate documentation is required.

1. When the Med Administration Remote On-site Proctor is at fault in these instances, they will be considered a **NO-SHOW** for the test event, and **the Provider, not the candidate, is responsible for paying the candidate's NO-SHOW fee.**
2. **The Provider is responsible** for any Med Administration Remote On-Site Proctor job responsibilities that hinder the Med Administration Remote On-Site Proctor from being able to administer a candidate's Med Administration test.
 - Even though the candidate was at the facility for the scheduled test event, the candidate will be marked as a NO-SHOW for the event, and a NO-SHOW fee will be added to their account.
3. **Payment of the candidate's NO-SHOW fee** can be made via:
 - The Provider's account in TMU©, or
