INTRODUCTION

A medication aide competency evaluation program ensures that candidates seeking to be medication aides understand the state standards and can competently and safely perform the job of an entry-level medication aide.

This handbook describes the process of taking the medication aide competency test and is designed to help prepare candidates for it. The test has one part: a multiple-choice knowledge exam. Candidates must pass the knowledge exam and meet all requirements of the Wyoming State Board of Nursing to be certified as a Medication Aide-Certified (MA-C) in Wyoming.

The Wyoming State Board of Nursing has approved D&S Diversified Technologies (D&SDT)-HEADMASTER, LLP, to provide testing and scoring services for medication aide testing. For questions not answered in this handbook, don't hesitate to contact D&SDT-HEADMASTER at (888)401-0462 or go to www.hdmaster.com. The information in this handbook will help you prepare for your examination.

AMERICANS WITH DISABILITIES ACT (ADA)

ADA Compliance

The Wyoming State Board of Nursing and D&SDT-HEADMASTER provide reasonable accommodations for candidates with disabilities or limitations that may affect their ability to perform the medication aide competency examination. Accommodations are granted in accordance with the Americans with Disabilities Act (ADA).

If you have a qualified disability or limitation, you may request special accommodations for the examination. D&SDT-HEADMASTER must approve accommodations in advance of the examination. Complete the [ADA Accommodation Request Application](#) found on the Wyoming TMU© main page under 'APPLICATIONS' to be reviewed for accommodation.

ADA Accommodation Request Applications submitted without the required supporting documentation of a diagnosed disability will not be reviewed until the required documentation is provided. D&SDT-HEADMASTER will email you if further documentation or information is required using the email in your TMU© account.

Please allow additional time for your request to be approved. If you have questions regarding the ADA review process or specific required documentation, please call D&SDT-HEADMASTER at (888)401-0462.

Security

If you are caught cheating, refuse to follow directions, use abusive language, disrupt the examination environment, or are visibly impaired, your test will be stopped and scored as a failed attempt. You will be dismissed from the testing room and forfeit any testing fees paid. A report of your behavior will be given to your training program and the Wyoming State Board of Nursing (WSBN). You will not be allowed to retest without clearance from WSBN.

If you remove or try to remove test material or take notes or information from the test site, you will be reported to your training program and the WSBN and are subject to prosecution to the full extent of the law. Your test will be scored as a failed attempt, and you will forfeit any testing fees that have been paid. You will not be allowed to retest for a minimum period of six (6) months. You may need to obtain permission from the WSBN in order to be eligible to test again.

If you give or receive help from anyone during testing (which also includes the use of any electronic recording devices such as cell phones, smartwatches, Bluetooth-connected devices, or navigating to other browsers/sites during your exam, etc.), your test will be stopped, you will be dismissed from the testing room, and your test will be scored as a failed attempt. You will forfeit any testing fees paid. You will be reported to your training program and WSBN, and you may need to obtain permission from WSBN to be eligible to test again.

Time Frame for Testing from Training Program Completion

You have **unlimited attempts** to pass the knowledge exam. The Wyoming Medication Aide-Certified (MA-C) Training does not expire.

Many training programs host and pre-schedule in-facility test dates for their graduating students. Your program/instructor will inform you if this is the case. Before scheduling a test, verify with your instructor if the training program has already scheduled your test. Regional test seats are open to all candidates. Regional test dates are posted on the Wyoming TMU© site at wy.tmutest.com.

If you have any questions regarding your test scheduling, call D&SDT-HEADMASTER at (888)401-0462 during regular business hours, 6:00AM to 6:00PM MT, Monday through Friday, excluding Holidays.

Reschedule a Test Event

All candidates may reschedule for free online at wy.tmutest.com any time up until one (1) business day before a scheduled test day, excluding Saturdays, Sundays, and holidays.

Friday	The previous Wednesday
Saturday	The previous Thursday
Sunday	The previous Thursday

Note: Reschedules will not be granted less than one full business day before a scheduled test date.

Refund of Testing Fees Paid

Requesting a refund of testing fees paid is different than rescheduling a test date. Requesting a refund means you are not interested in taking the Wyoming medication aide-certified (MA-C) certification exam.

SCHEDULED IN A TEST EVENT

- 1) If you are scheduled for a test event, you can request a refund of the testing fees paid by filling out and submitting the [CANDIDATE-Refund Request Fillable Form](#) on D&SDT-HEADMASTER's Wyoming web page at [Wyoming MA-C web page](#) at least one (1) full business day before your scheduled test event (excluding Saturdays, Sundays, and holidays). No phone calls will be accepted.
 - **Example:** If you are scheduled to take your exam on a Saturday, Sunday, or Monday, you would need to request a refund by the close of business on the Thursday before your scheduled exam. D&SDT-HEADMASTER is open until 6:00PM MT, Monday through Friday, excluding holidays.
- 2) Refund requests made in the required time frame qualify for a full refund of any testing fees paid minus a \$35 refund processing fee.
- 3) Refund requests must be made within thirty (30) days of payment of the original testing fees with HEADMASTER. Any requests for refunds made beyond 30 days of the original payment of testing fees with HEADMASTER *will not be issued*.

NOT SCHEDULED IN A TEST EVENT

- 1) Refund requests must be made within thirty (30) days of the original payment of testing fees with HEADMASTER. Any requests for refunds made beyond 30 days of the original payment of testing fees with HEADMASTER *will not be issued*.
- 2) To request a refund for testing fees paid, you must fill out and submit the [CANDIDATE-Refund Request Fillable Form](#) on D&SDT-HEADMASTER's Wyoming main webpage at [Wyoming MA-C web page](#). No phone calls will be accepted.
- 3) Refund requests made in the required time frame qualify for a full refund of any testing fees paid minus a \$35 refund processing fee.

Unforeseen Circumstances Policy

If an exam date is canceled due to weather or other unforeseen circumstances, D&SDT-HEADMASTER staff will make every effort to contact you using the contact information (phone number/email) we have on file in your TMU© account to reschedule you for no charge to a mutually agreed-upon new test date.

Therefore, you must keep your contact information up to date in case we need to contact you (**see examples below for reasons we may not be able to contact you that you are responsible for*).

If D&SDT-HEADMASTER is unable to reach you via phone call or email with the information in your TMU© account (**see examples below*) due to an unforeseen circumstance for a test event you are scheduled for, you will be removed from the test event, and D&SDT-HEADMASTER will not reschedule you until we hear back from you.

NOTE: The **examples* listed below are your responsibility to check and/or keep updated.

- If D&SDT-HEADMASTER leaves you a message or emails you at the phone number or email in your TMU© account and:
 - you do not call us back in a timely manner
 - your phone number is disconnected/your voice mailbox is full
 - you do not check your messages in a timely manner
 - you do not check your email or reply to our email in a timely manner
 - your email is invalid, or you are unable to access your email for any reason

See more information under '**No-Show Exceptions**'.

No-Show Status

If you are scheduled for your exam and do not show up without notifying D&SDT-HEADMASTER at least one (1) full business day before your scheduled testing event, **excluding** Saturdays, Sundays, and holidays, OR if you are turned away for lack of proper identification, not arriving on time to the test site or any other reason to deem you ineligible to test, you will be considered a **NO-SHOW status**. You will forfeit all fees paid and must sign in to your TMU© account to repay or submit a new testing fee to schedule yourself into a new test event.

These fees partially offset D&SDT-HEADMASTER's costs incurred for services requested and the resulting work that is performed. If a reschedule or refund request is not done or received before the one (1) full business day preceding a scheduled test event, excluding Saturdays, Sundays, and holidays (see examples under Reschedule a Test Event and Refund of Testing Fees Paid), a NO-SHOW status will exist. You will forfeit your testing fees and must repay the full testing fee to secure a new test event.

NO-SHOW EXCEPTIONS

Exceptions to the no-show status exist; if you are a no-show for any test component for any of the following reasons, a free reschedule will be authorized to the remitter of record, provided **the required documentation is received within the appropriate time frames outlined below**.

⇒ Complete, upload the required documentation, and submit (within the required time frames outlined below) the **No Show Exception Form** available on the Wyoming TMU© main page under ‘APPLICATIONS’, or click this link:

You have **unlimited attempts** to pass the knowledge exam. The Wyoming Medication Aide-Certified (MA-C) Training does not expire.

Retaking the Medication Aide-Certified (MA-C) Exam

If you fail the knowledge exam, when you want to apply for a retest, you will need to pay before you can schedule an exam date.

You can schedule a test or retest online by signing in to your TMU© account with your Email or Username and Password at wy.tmutest.com. (See instructions with screenshots under **'Schedule / Reschedule a Test Event'**.)

You will need to pay with a Visa or MasterCard debit/credit card before you can schedule.

If you need assistance scheduling your re-test, please call D&SDT-HEADMASTER at (888)401-0462 during regular business hours, 6:00AM to 6:00PM MT, Monday through Friday, excluding holidays. We can assist you in scheduling a test or retest date as long as your fees have been paid first.

Test Review Requests

You may request a review of your test results or dispute any other testing condition. The purpose of this review process is to ensure fairness and accuracy in the evaluation of your test.

***PLEASE READ BEFORE FILLING OUT THE TEST REVIEW REQUEST:** Please call D&SDT-HEADMASTER at (888)401-0462 during regular business hours, Monday through Friday, 6:00AM to 6:00PM MT, excluding holidays, and discuss the test outcome you are questioning before committing to sending the \$25 test review request deposit fee. Once you have further details about the scoring of your test, you will often understand the scoring process and learn how to better prepare yourself for subsequent exam attempts. If, after discussion with D&SDT-HEADMASTER staff, you still have a concern with your testing process that affected the outcome of your exam, you may submit a Test Review Request.

There is a \$25 non-refundable test review deposit fee. To request a review, complete the [Test Review Request and Payment Application](#), available on the Wyoming TMU© main page (before you log in to your account) under 'APPLICATIONS' at wy.tmutest.com. Test Review Requests must be received **within three (3) business days from the official scoring of your test** (excluding Saturdays, Sundays, and holidays). Late requests will be denied and will not be considered.

Since one qualification for certification as a medication aide-certified (MA-C) in Wyoming is demonstrated by examination of minimum medication aide knowledge, the likely outcome of your review will determine who pays for any retests that may be granted. If, after investigation, the review finding is in your favor, you will be refunded the \$25 test review deposit. If the findings of the review are *not in your favor*, the \$25 test review deposit will stand, and the fee is non-refundable.

D&SDT-HEADMASTER will review your detailed recollection, knowledge test markings, and any notations made by the RN Test Observer during your test. D&SDT-HEADMASTER will re-check the scoring of your test and may contact you and/or the RN Test Observer for any additional recollection of your test.

D&SDT-HEADMASTER cannot discuss test results or reviews with a candidate's training program/instructor. D&SDT-HEADMASTER will not review test results or reviews with family members or anyone else on behalf of the candidate.

D&SDT-HEADMASTER will complete your review request within ten (10) business days of receiving it in a timely manner. D&SDT-HEADMASTER will email the review results to your email address and the Wyoming State Board of Nursing.
